

Chop's Aquatics

Botanicals

Beech Leaves

Shrimp & Décor

25 beech leaves per pack

Product Details

- Aquarium & Shrimp Safe
- Air Dried
- Responsibly foraged from pesticide-free hardwood forest
- Rinse before use
- Leaves may float initially
- Replace every 3–6 weeks

*Wild-foraged after natural leaf fall to support healthy forest ecology.
Leaves may display minor natural markings consistent with seasonal forest conditions.*

Boil before use.

Natural Benefits

- Gentle tannin release
- May gradually lower pH
- Excellent surface for shrimp grazing

*As with any natural product, observe your aquarium inhabitants after introduction.
Use at your own discretion. Not responsible for livestock or equipment.*
