

# Chop's Aquatics

*Botanicals*

## Oak Leaves

*Shrimp & Décor*

20 oak leaves per pack

### Product Details

---

- Aquarium & Shrimp Safe
- Air Dried
- Responsibly foraged from pesticide-free hardwood forest
- Rinse before use
- Leaves may float initially
- Replace every 3–6 weeks

*Wild-foraged after natural leaf fall to support healthy forest ecology.  
Leaves may display minor natural markings consistent with seasonal forest conditions.*

**Boil before use.**

### Natural Benefits

---

- Gentle tannin release
- May gradually lower pH
- Excellent surface for shrimp grazing

---

*As with any natural product, observe your aquarium inhabitants after introduction.  
Use at your own discretion. Not responsible for livestock or equipment.*
