

# Chop's Aquatics

*Botanicals*

## Alder Cones

*Shrimp & Décor*

20, 25, or 50 cones per pack

### Product Details

---

- Aquarium & Shrimp Safe
- Air Dried
- Responsibly foraged from pesticide-free hardwood forest
- Boil before use (brief rinse first)
- Cones may float initially
- Replace every 3–6 weeks

*We offer imported products as a supplement to our local lines. Alder cones offer a nice accent piece for the customers looking for that difference maker.*

*Cones may display minor natural markings consistent with seasonal forest conditions.*

### Natural Benefits

---

- Gentle tannin release
- May gradually lower pH
- Excellent surface for shrimp grazing
- Mild natural antifungal properties

---

*As with any natural product, observe your aquarium inhabitants after introduction.*

*Use at your own discretion. Not responsible for livestock or equipment.*
